

Supporting Our Community

Volunteer Wildlife Explorers Leaders visit schools and youth groups to provide activities that meet your objectives and fit the curriculum.

RSPB Wildlife Action Awards

Lots of things threaten the wildlife that is all around us. This scheme is about discovering wildlife, doing practical things to help it, and telling other people. Our activities guide you towards Bronze, Silver and Gold awards.

Wildlife Explorers

Through an active programme of indoor and outdoor meetings, Wildlife Explorers learn about birds, wildlife in general, the countryside, and the issues that affect the habitats that wildlife needs (to survive).

We make the learning experience 'fun' through the use of craft activities, environmental games and quizzes. We take groups into the countryside to enjoy looking at, and learning about nature.

All of our meetings are:

- open to RSPB Wildlife Explorers members and the general public (small charge for Indoor Meetings)
- led by trained Volunteer Leaders
- attended by a qualified First Aider
- risk assessed and managed

Indoor Meetings are held at the Tytherington Family Worship Church Hall, Sandwich Drive, off Dorchester Way, Tytherington, Macclesfield, SK10 2UZ.

Junior Leaders

Are you aged 14 or over and passionate about wildlife? Do you love getting your hands dirty? If you think you can help inspire young people in your community, why not volunteer as an RSPB Wildlife Explorers Junior Leader? Our Junior Leaders help organise and host meetings, as well as carrying out important conservation work.
